Ms. Shoshana M. Grove - Secretary  
Postal Regulatory Commission  
Washington DC 20268-0001

Dear Ms. Grove:

I request to intervene as a PARTICIPANT in Docket No. N2014-1 – **DSCF STANDARD MAIL LOAD LEVELING**.

My interest in this proceeding is similar to the interest that I have had in previous Nature of Service filings. I have made mailings of Presort Standard mail including drop shipments at the processing center. These mailings were made by me during local school board elections.

My position will be made in the submission of my Brief after I have had an opportunity to fully evaluate the various filings and hearings and discovery by myself and other participants. At this point I probably will not request a hearing or conference but reserve the right to do so. Likewise, the extent of my participation will depend on the information developed as the proceeding develops.

At this point there are no other Notices of Intervention that have been filed so there is no possibility of combining my intervention with another party having similar interests.

Thank you for your cooperation.

Very truly yours,

DAVID B. POPKIN
